Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/68/20/OUT

Site Address: Land west of Tye Lane Walberton

Description of works: Outline application with all matters reserved, other than means of access, for the construction of up to 155 No. dwellings (30% affordable homes) & amendment to boundary of garden land to serve adjoining property. This application affects the character & appearance of the Walberton Village Conservation Area, may affect the setting of listed buildings & is a Departure from the Development Plan.

Thank you for your internet representation made on 10th November 2020 which has been recorded as an objection with the comments as follows:

OWPC31180

I wish to register an objection to this application in support of that raised by Walberton Parish Council.

I refer you to their analysis, most importantly the completely inadequate traffic assessments which have been made. The increase in traffic through unsuitable village and country roads relating to A27 completion is dangerous and unsustainable.

This is a greenfield site outside the built up area boundary (Arun Policy SD SP2 relates). HELAA currently states "Currently development on this site would contravene policy and therefore the site would not be considered to be suitable." This is not an exception site or relevant to rural housing (Arun Policy H SP2)

I have concerns regarding noise from the A27 in conflict with Arun Policy QE DM1.

The increased flood risk is counter to Walberton Neighbourhood Plan policy VE7.

The application is incomplete with respect to ecological surveys and cannot therefore be adequately assessed at this time.

Your views as made above will be considered before the application is determined.

However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.
