Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/68/20/OUT
Site Address: Land west of Tye Lane Walberton
Description of works: Outline application with all matters reserved, other than means of access, for the construction of up to 155 No. dwellings (30% affordable homes) & amendment to boundary of garden land to serve adjoining property. This application affects the character & appearance of the Walberton Village Conservation Area, may affect the setting of listed buildings & is a Departure from the Development Plan.

Thank you for your internet representation made on 10th November 2020 which has been recorded as an objection with the comments as follows:

OWPC31181

We request this is registered as AN OBJECTION.

The village of Walberton, and immediate surrounding areas, does not have sufficient infrastructure to support yet another 155 new homes. Allowing this development to go ahead in our village will mean that hundreds of additional people will need to register with already overcrowded GP surgeries, dentists and school. The extra traffic, including HGV's, through The Street, and past the school will cause extreme danger for residents and school children. All points referred to in the Walberton Parish Council letter objecting to WA/68/20/OUT must be taken into account. The application must be rejected by Arun District Council Planning Department.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments on the website. Please make sure that you have only provided information that you are happy will be published in this way. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.
