Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/68/20/OUT
Site Address: Land west of Tye Lane Walberton
Description of works: Outline application with all matters reserved, other than means of access, for the construction of up to 155 No. dwellings (30% affordable homes) & amendment to boundary of garden land to serve adjoining property. This application affects the character & appearance of the Walberton Village Conservation Area, may affect the setting of listed buildings & is a Departure from the Development Plan.

Thank you for your internet representation made on 11th November 2020 which has been recorded as an objection with the comments as follows:

OWPC31267

I STRONGLY OBJECT to this development application and wholeheartedly support the document submitted by Walberton Parish Council, published 2nd November.

We DO NOT need yet more houses in Walberton. The ratio of new houses to old is already out of balance and our beautiful old village will become one large housing estate if we are not careful.

Why do we need more new houses anyway and why do they need to be built one of the few remaining greenfield sites? This site is NOT in the neighbourhood plan.

The infrastructure of the village is already under threat, there is high risk of flooding, there are already too many cars and large HGVs racing through the narrow lanes. There is already too much stress on our medical, social and educational services.

Please give some consideration to current residents and what we are all having to endure with these new developments. Enough is Enough. Leave Walberton alone.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments on the

website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
