This application affects the character & appearance of the Walberton Village Conservation Area, may affect the setting of listed buildings & is a Departure from the Development Plan.

Thank you for your internet representation made on 11th November 2020 which has been recorded as an objection with the comments as follows:

OWPC31283

Our village is losing pasture grazing and farm land to housing development. When will we stop putting a price on green land. Given the recent and ongoing pandemic which has highlighted the need for green spaces for mental wellbeing will this be taken into consideration. May I also raise my concerns over the drainage system as the fields flood under heavy downpours. Unfortunately with further loss of ancient hedgerows this will also have a negative impact on birds nesting and the many other mammals I have had the pleasure of watching from my property.

Your views as made above will be considered before the application is determined.
