Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/68/20/OUT

Site Address: Land west of Tye Lane Walberton

Description of works: Outline application with all matters reserved, other than means of access, for the construction of up to 155 No. dwellings (30% affordable homes) & amendment to boundary of garden land to serve adjoining property. This application affects the character & appearance of the Walberton Village Conservation Area, may affect the setting of listed buildings & is a Departure from the Development Plan.

Thank you for your internet representation made on 12th November 2020 which has been recorded as an objection with the comments as follows:

OWPC31319

I object to the proposed development on the following grounds:-

- a) There is already a very substantial housing development underway on the eastern side of Tye Lane.
- b) The proposal relates to land outside the current development plan.
- c) The proposed development will further seriously increase the current problem of excessive traffic in the village already threatened by the rerouting of the A27.
- d) The character of Walberton as a village with a conservation area will suffer serious further damage.

Your views as made above will be considered before the application is determined.
