This application affects the character & appearance of the Walberton Village Conservation Area, may affect the setting of listed buildings & is a Departure from the Development Plan.

Thank you for your internet representation made on 12th November 2020 which has been recorded as an objection with the comments as follows:

OWPC31334

This planning application must be rejected.

Walberton has more than taken its fair share of new housing. Further development is unnecessary, and unsustainable, and serves only to benefit developers and their investors and contribute to arbitrary targets for new housing.

Development by development our historic villages are being destroyed. It is starting to look as though the adjacent National Park is a curse for the towns and villages on its fringes. Further development in Walberton is not appropriate, and is irresponsible.

Please show your support by rejecting this inappropriate planning application.

Thank you. Edward.
