Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/68/26/PL
Site Address: The Greenway West Walberton Lane Walberton BN18 0QS
Description of works: Construction of a self-build/custom build single dwelling, with garage outbuilding and associated works. This is a departure from the local development plan and is in CIL Zone 3 and is CIL liable as a new dwelling.

Thank you for your internet representation made on 28th August 2026 which has been recorded as an objection with the comments as follows:

OWPC86277

Dear Sir / Madam,

We are the owner of the site immediately to the west of this proposal. It appears that where the proposed access 'flares' at the northern end of the application site, this encroaches within our title. We will write to you separately on this matter setting out the position in more detail including implications pertaining to ecology / dormice. For the immediate though, it would appear that the Cert B has been incorrectly completed and that the proposed access design may not be deliverable without land outside of the applicants control.

Regards
N Craker
