Dear Ms Malik,

Re - Snetterton, West Walberton Lane, Walberton, West Sussex. BN18 0QS - PP-09462912 / WA/6/21/HH

Thank you for your correspondence re the above. In answer to your query relating to Lidsey Foul Water Treatment Catchment Area, the proposal will use / reconnect 'branch-waste' only to existing 'mains drainage' runs.

As such, we do not consider any further details or a drainage assessment applicable.

Should you have any queries please don't hesitate in contacting me.

I look forward to hearing from you at your convenience.

Kind regards,
