Dear Mr Davies,

Your application LU/384/17/T is currently set to be refused following comments from the Arboriculturist as attached.

However please let me know if the advisory comments are acceptable to you and I can amend the description to be in line with the tree officers recommendations and can write it up to recommend approval.

The revised description will read as follows:

'Reduce the height of 1No. Beech tree by 1m, reduce the lateral spread to north, east and west by 1.5m maximum and reduce the lateral spread to the south by 3m maximum.

Please let me know if you agree to the amended description.

Thank-you

Amber Willard
