Please accept this as a strong objection to this Application for up to 157 homes on land east of Wandleys Lane in Fontwell.

This will put more strain on the infrastructure of Walberton in terms of services and traffic, particularly the traffic in West Walberton Lane and throughout the village of Walberton which is already too heavy and dangerous. As a resident of Walberton I know only too well how restricted the infrastructure is. Additional housing will simply put unacceptable additional pressure on all of the facilities and services.
