3rd November 2017

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline Planning Application with some matters reserved for up to 157 No. residential dwellings including 30% affordable. This application is a Departure from the Development Plan.

Land East of Wandleys Lane and West of West Walberton Lane Fontwell

Thank you for your internet representation made on 3rd November 2017 which has been recorded as '**an objection**' with the comments as follows:

This development is wholly inappropriate for the small country lane that Wandleys Lane is. 157 homes will generate well over 1000 car journeys per day onto a small rural Lane that is currently used as a country lane for horse riders and dog walkers. Despite the developers argument that most traffic will exit right out of the development, all locals will confirm that most traffic will turn left and head for the A29 to head to the nearest schools, supermarkets, railway station etc. Therefore the upgrading of Wandleys Lane to West Walberton Lane will not in anyway help the bulk of the extra car journeys along Wandleys Lane towards the A29. In addition the junction between Wandleys Lane and the A29 is a difficult one and just about copes with current traffic levels, the huge extra level of traffic from this new development would cause major hold-ups at what is a dangerous exit onto the A29. The entire of Wandleys Lane currently has about 50 houses, this new development would increase this 4 fold with the impact on this rural Lane being totally unacceptable. I urge the council to reject this development as being far to big for this rural area.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
