Dear Michael Eastham

I object to this application on the grounds that it is contrary both to the Local Plan and the Neighbourhood Plan. In addition the cumulative impact of this, together with other already pending housing developments in or affecting Walberton Parish, proportionate to Walberton's current population and physical and social infrastructure, would be unacceptably great, and perhaps even uniquely so in West Sussex. The burden of addressing the housing crisis is understood; but it must be more equitably shared across the District.
