13th November 2017

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline Planning Application with some matters reserved for up to 157 No. residential dwellings including 30% affordable. This application is a Departure from the Development Plan.

Land East of Wandleys Lane and West of West Walberton Lane Fontwell

Thank you for your internet representation made on 10th November 2017 which has been recorded as '**an objection**' with the comments as follows:

We object to the fact that there are too many houses planned for such a small area and that it is contrary to the Local Plan. It is also outside Fontwell Village's built up area boundary. The sole access via Wandleys Lane will exit onto the extremely narrow West Walberton Lane which already carries far more traffic than is sustainable. Flooding has also been a problem as we have observed during our 35 years residence in Walberton and the sewage system is barely able to cope at the moment. This proposed development will greatly exacerbate the problem.

The suggested 157 dwellings will increase the population of the area without providing extra facilities, ie schools, medical surgeries etc. This, together with the proposed development of Fontwell Fields will completely ruin the rural character of our villages, turning it into an urban sprawl.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go to the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be

automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
