Dear Sirs,

I am writing to object to the planning application no. WA/73/17/OUT for the development of 157 homes in Wandleys Lane, Fontwell.

This application is contrary to the Neighbourhood Plan which was approved at a referendum last year in our parish. The development is also completely unsustainable. There is no employment in Fontwell, there is no school or doctor's surgery, and there are no shops selling essential items such as bread and milk. The bus service in Fontwell is woefully inadequate so everyone living in the village has to travel by car. This new development will increase road usage and cause even more congestion, particularly at peak times when everyone is travelling to work and school.

Please do not permit this unwanted development to go ahead.

Yours faithfully,

Alison Norton
