Dear Sir/Madam,

I wish to place on record my objection to the above proposal. It is contrary to the Neighbourhood Plan. I am deeply concerned about the flooding impact it will have on properties and land below the site of the proposed development. This area, including my own property, floods frequently. If the proposed development is approved, water which previously soaked into the ground will now run off and cause increased flooding to West Walberton Lane and properties at the bottom of the hill. I reserve my right to take legal action should the council approve the proposed development.

I support the Parish Council's representation on this matter.

Yours faithfully,

John M Broadley
