Subject: Re: WA/73/17/OUT - Land off Wandleys Lane

Dear Sirs,

Both our families live in Fontwell.

We strongly object to the above development of 157 houses off Wandleys Lane.

It is contrary to our Neighbourhood Plan!!

Also, we fully support the Parish Council's representation.

Furthermore, to build such an incredibly large development, supported only by narrow country lanes, will destroy life and quality of life for those around it, including creatures great and small.

Yours faithfully,

Jo Corell (Mrs)
