Dear Sir/Madam,

Please, please do not ruin our lovely local villages with further large housing developments. How on earth are the local Doctors, schools etc. going to cope with the sudden influx of extra families, also do you not realise the massive increase in the number of cars will clog up, the often now full to it's limit A27. What is the matter with you all? Think what you are doing for our future generations.

We suggest you look more closely, at all the current planning proposals for this area, e.g. up to 400 houses approved for Fontwell Meadows, an application for 268 homes at the Southern end of Fontwell Avenue, in addition to this one. In the next few years it will cause chaos! Enough is enough, do not approve this application.

David and Joan Feaviour Fontwell.
