I wish to add my voice to those who reject the application to build 157 in Wandleys Lane, Fontwell for the following reasons:

- It would constitute too many houses in one place hereby changing the character of the village.
- The increase in the volume of traffic would have a serious impact on West Walberton Lane, Arundel Road and Fontwell Avenue.
- The local schools and health facilities would be negatively affected.
- In all, a project of this size would impact negatively on the environment.

Yours faithfully,
Wendy Matthey
