Subject: Objection to Wandleys Lane houses

REF. WA/73/17/OUT.

Dear sir/Madam,

I wholeheartedly object to 157 (plus) houses being built on the fields of Wandleys Lane. 1....It is contrary to our Neighbourhood plan. 2...Because we as villages are beginning to lose our identity, as being small villages with the unexceptable thought of more houses, meaning more traffic and pollution and less green spaces. Also with Highways England trying to ruin Binsted with a monstrosity of tarmac costing millions of tax payers money to save probably 5 minutes!! We will not have any small villages left in this lovely part of West Sussex. What will be left for our future generations!!

Kind regards
Tracey Pethers
