Dear Sir/ Madam

I wish to register my objection to the application for 157 houses off Wandleys Lne.

My reasons are:

It is contrary to the Neighbourhood Plan.

Whilst some development should be permitted it should not be on this massif scale and will materially alter the character of the area which will become simply urban sprawl. If allowed it will further overload the roads and local infrastructure.

It would seem that there is no point in having a parish council plan for the area if it is to be ignored as it has been in other areas completely against the will of the local residents.
