Dear Sirs

I wish to object to the above planning application initially as it is contrary to the local Neighbourhood Plan.

Further as so little consideration has been given in relation to granting other controversial applications - the erosion of the villages has to stop somewhere.

The potential Tuppens Field and Barnfield sites, not to mention Dandara, will ruin the rural aspect of the villages of Walberton and Fontwell in particular, and make transport untenable, never mind local services.

The infra structure is just not there – and the rural aspects of the community are at risk of being totally lost.

Sincerely
Judith Walker
