Dear Sir or Madam,

I would like to object most strongly to this planning application WA/73/17/OUT.

I took my 90 year old Father to his Doctor's appointment last week it was scheduled for 11am he was see at 12.30am and the receptionist says this is normal and will get worse !

Fontwell Barnham Walberton is under attack from speculative house building applications without a single thought for the infrastructure.

Please Please do not let this happen.

Kind regards,

Nigel Smith.
