We are writing to object to the above referenced application on the grounds that it is contrary to our agreed Neighbourhood Plan. There is absolutely no point in both central and local government imploring people to get involved in their communities if the results of their concerted efforts (which in this case involved jumping through numerous hoops to get a plan in place) are then completely ignored by developers and, most importantly, those Councillors who rule on planning applications.

We also support our Parish Council's representation on this matter.

Please protect our villages from inappropriate large developments and reject this application.

Thank you.
