Subject: WA/73/17/OUT

I wish to object to the planning application above on a number of reasons

- it is not recognised as part of the neighbour plan
- with a number of large developments already granted planning in the immediate vicinity I believe this would swamp the area with too much traffic and have a detrimental effect on the semi rural area
- I am concerned that again with the additional of so many properties it could increase the risk of flooding is the wandleys lane area

I trust that the local authorities will look at the impact on the nearby parishes and the plans already passed before granting another large development

Kind regards

Sue Trust
