Subject: Welbeck Planning application for 157 homes on the fields off Wandleys Lane. WA/73/17/OUT

Dear Sirs,

We strongly object to WA/73/17/OUT as it is contrary to our Neighbourhood Plan and is quite unsuitable for development.

The proposal to slightly widen the top of Wandleys Lane encouraging all vehicles to travel north, will increase the traffic on both Arundel Road, Fontwell and West Walberton Lane, which will lead to more through the centre of Walberton.

The proposed site backs on to Wandleys Copse which is classified as ancient woodland.

We do support the Parish Council's representation.

Yours faithfully,

Mr and Mrs S. Walby, Swallowshaw, The Street, Walberton BN18 0PQ.
