Subject: Planning application ref: WA/73/17/OUT

Dear sirs

I wish to object to this planning application on the grounds that it contravenes the Walberton Neighbourhood Plan. I support the submission made by the Walberton Parish Council.

It is my opinion that a development of this size is completely out of all proportion in a village as small as Walberton, especially considering the recent approval of another large development off Tye Lane.

I assume that such a development would bring with it around 300 extra vehicles, many of which will need to travel south and south east, thereby greatly adding to the dangers to the horse riders, cyclists, pedestrians and existing vehicles travelling down the difficult and narrow West Walberton Lane (which has no footpath). They will then have to try to pass along The Street, adding enormously to the problems already experienced by the residents.

Yours faithfully

Susan Roberts
