Dear Mr Eastham,

I refer to the above outline planning application for which ECE Planning are the agent.

In response to the email from the Environment Officer at Chichester District Council, dated 26 October 2017, please find attached the following documents:

- A response from the Ecology Partnership to Alice Brighton of Welbeck Land in relation to **Barn Owls**;
- A **final Dormouse Survey** to replace the interim report submitted with the planning application.
- A **final Bat Activity Survey** to replace the interim report submitted with the planning application.

We trust these studies address the relevant issues raised by the Environment Officer. We will be submitting a full Ecological Enhancements and Mitigation Strategy shortly.

I would be grateful if you could confirm receipt of this email.

Please let me know if you have any queries.

Kind Regards

Ben Daines MRTPI
