Dear Mr Daines,

Thank you for the phone call, subsequent emails and the minutes.

Whilst I appreciate your request for a meeting; I have only just (Tuesday) received the application, given its reallocation first from Micheal Eastham to Juan Baeza and then on to me. I am not in agreement to the need of a meeting at this stage. Nor do I, currently, have the capacity for one.

I am likely to be in contact, should we require any additional information, once I have had a chance to fully assess the application, discuss this with my Team Leader; and await your further response regarding Great Crested Newts. A meeting could/may be beneficial at that point.

Regards,

Richard,

It was good to speak to you yesterday.

Now that the statutory consultation period has ended, I think it would be very useful if we could have a quick meeting with yourself to discuss the application and let you know how it has evolved, the outcome of our pre-application meeting with Juan Baeza, and how we are currently addressing the issues raised through the consultation process. Additionally, it would be very useful to get some of your early thoughts on the proposal and any additional issues you feel we might need to address.

I would ideally like to have this meeting as soon as possible so I would be grateful if you could let me know your availability next week.

For your information, I also attach the minutes of our pre-application meeting with Juan Baeza which I hope will be of use.

I look forward to hearing from you.

Kind Regards

Ben Daines MRTPI
