Subject: Thank you

Dear Mr Temple, Mr Roberts and Mr Crowther,

I have been closely following (and contributing to) the progress of application WA/73/1/7/OUT.

I would like to thank you for the hard work you have put into this application i.e. always, and very quickly, uploading all comments, including correspondence with the agents - which is difficult enough without having to deal with many other applications at the same time. It has been very transparent and very fair.

Also to thank Mr Roberts for taking the time to answer some questions I had, which I really appreciated.

Thank you.

Best regards,

Ren Kitchener.
