Dear Sir/Madam

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline Planning Application with some matters reserved for up to 157 No. residential dwellings including 30% affordable. This application is a Departure from the Development Plan.

Land East of Wandleys Lane and West of West Walberton Lane Fontwell

Thank you for your internet representation made on 7th February 2018 which has been recorded as '**an objection**' with the comments as follows:

*dear sir , i cannot believe anyone in their right mind would even contemplate 157 house in a tiny little area, their is no , amenities to cope with what is here never mind adding to the border , i live along the lane which is an ancient lane that has been undisturbed since god knows when , and the widening of this will cause untold problems with people speeding , using it as a short cut , its a lane leave it alone
also where do you intend to re home the owls the hawks the bats the deer , this is farm land and should be left exactly as that , the proposals are ridiculous ,and will turn the are from an outstandingly beautiful area into a housing estate , these areas need protecting from developers who only care about the money , i am bewildered that this can even be contemplated , regards mr martin beeney and ms m m burton*

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no

further opportunity to comment at the appeal stage.

Yours faithfully
