Hello Tracey,

2 Parsons Walk Walberton.

Please find attached revised drawings to replace those in the application for a Front Porch and Enclosure for Wood Burner. I have now included the height, colour, finish and termination of the flue for your information.

I hope that this will now be satisfactory, and I can confirm that an extension of time until 12th October 2018 is acceptable.

Regards

Trevor Fairman

Good Afternoon Mr Fairman

In assessing the above application, I note that reference is made to the flue being terminated at a height 'to be determined by the manufacturer' This detail will be required before determination of the above application, also the finish/colour of the flue.

In order to allow sufficient time to supply this detail, would you be kind enough to agree, in writing, to an extension of time until 12th October 2018.

Regards

Tracey Headley-Smith
