Good Morning Mr Fairman

My apologies for the delay in processing the above application, this has been due to a delay in a consultation. However A recommendation report is to be written up this week. Please confirm your agreement to an extension of time until 19.11.18 to allow sufficient time for the report to be written, considered and signed off.

Regards

Tracey

Good morning Tracey,

I recently sent you some revised drawings showing the flue at the side of this property.

Having discussed the route of the flue with the applicant, I have attached a new elevation (revision B) showing the flue directed toward the ridge before rising vertically. This reduces the projection above the roof plane to the minimum of 600mm, but not above the ridge, as required by the Building Regulations.

I hope this is satisfactory.

Best regards

Trevor Fairman

Good Afternoon Mr Fairman

In assessing the above application, I note that reference is made to the flue being terminated at a height 'to be determined by the manufacturer' This detail will be required before determination of the above application, also the finish/colour of the flue.

In order to allow sufficient time to supply this detail, would you be kind enough to agree, in writing, to an extension of time until 12th October 2018.

Regards

Tracey Headley-Smith
