Church Farm Bungalows Binsted Lane Binsted

Thank you for your internet representation made on 12th November 2017 which has been recorded as '**support**' with the comments as follows:

The two gentlemen, Brian Marsh and Arthur Wicksteed, who lived in the derelict cottages which this is proposed to replace, are well remembered and missed in the small community of Binsted. I welcome the principle of the proposal to bring life to their homes again through a replacement dwelling. I note that neighbour John Harding has objected to the house moving closer to the common drive and I hope that his views can be accommodated in some way. My statement of support is not concerned with the detail, which I am sure can be resolved, nor even with the question whether it should be one dwelling or two semis, but with the principle that Binsted Village will gain by having this dwelling place restored and the new occupants welcomed to participate in our community life.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
