To whom it may concern,

TPO Application, Walberton Place Care Home, Yapton Lane, Walberton, Arundel, West Sussex, TPO ref: TPO/WA/1/87 – T16

Please find enclosed the TPO Application for our Project site at Walberton, West Sussex.

This is a new application, given that the previous application ref: WA/82/17/T was refused due to lack / clarity of information to enable the Council Arbor culturalist to make a decision.

The previous application, your Mr. Zac Denton was allocated to. Is it possible that Mr Denton could be allocated to this new application, given that he knows the project.

 Yours faithfully

Bruce Davidson
Contracts Manager
