Mr A Wright,

Further to our telephone conversation last month we had been awaiting tree comments from our in house specialist before progressing this application.

The application now lies with my Team Leader Juan Baez who will determine how to progress with this application.

In preparation of the application going to February planning committee please can you confirm an extension of time to the application decision up until 15th February 2019.

If you have any questions please contact Juan directly.

Kind regards
