Dear Mr Wright

I tried to speak to you on the phone today. Unfortunately due to an administrative error your application was not picked up so as to be put on the agenda for the next Development Control Committee on the 5th June. I sincerely apologise for this. I can confirm that the report was checked by the officers and the recommendation to approve was agreed at officer level. However, it needs to be a committee decision and the next committee is on the 10 July. So that it can go forward to that committee I will need you to agree to an extension of time to the 12 July. I would appreciate if you could reply to agree.

Please accept my apologies for this oversight.

Regards
