Dear Sir/Madam

Planning Application WA/76/12 Spinneys West Walberton Lane Walberton

We consider that the extensions to and alterations are out of proportion to the existing building. They will be visually prominent and obtrusive and will have an adverse effect on adjoining properties. We also feel that together with the recent actions taken by the new owners the proposals will have a significant adverse effect on the local environment including wildlife and drainage, both natural and man made.

Yours faithfully
