Signed on behalf of Arun District Council

Mr Paul Cann
Principal Drainage Engineer

Date of signing

27th August 2026

Conditions

This consent is granted with the following conditions:

General

N/A

Timing

Works to be completed within 3 years of the date of this consent or else the consent will be deemed to have expired. This period can be extended upon written agreement.

Temporary Works

Method statements for associated construction and/or temporary works to be submitted and approved before commencing works.

Site Specific

No part of headwall to encroach into the ditch profile.

Ditch to be desilted as required.

Apron of headwall to extend full bed width of the watercourse.

Other Information

This Consent does not remove from the applicant the necessity to obtain other licences, consents, approvals or permissions (including planning permission) which may be required in law or in order to comply with any duties or responsibilities for conservation or protection of the environment.

It is the applicants responsibility to ensure that he obtains the consent / permission of any owners and occupiers affected by the works.

This Consent does not confer any rights of entry or rights over property.

Works should be arranged to ensure there is no increase in flood risk to third parties.

Arun District Council does not accept any responsibility for the design and construction of the works that are the subject of this Consent and any liability for any loss or damage which may arise out of their design, construction, maintenance or use.

The works must be undertaken in accordance with the approved plans, drawings, calculations, specifications and other relevant documents.

All reasonable precautions must be taken during the undertaking of the works so as not to obstruct, impede or interfere with the flow of water in, into or out of the watercourse

and not to damage the banks or bed or any drainage works without the approval of the Arun District Council.
