Dear Sir/Madam

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Approval of reserved matters following outline consent WA/26/18/OUT for layout & scale for 6 No. dwellings & 6 No. detached garages.

Lanes End West Walberton Lane Walberton

Thank you for your internet representation made on 14th March 2019 which has been recorded as '**an objection**' with the comments as follows:

Dear Sirs

Now this application has consent and now Reserved Matters have to be dealt with I wish to make the following comments

1 The ridge height has to be carefully taken into consideration as the plot rises up considerably from West Walberton Lane thus making the 3 storey houses over powering on the "Street Scene "

2 It would be beneficial if the Evergreen hedge/trees adjacent to W>W>L could be preserved in some way to help the new properties blend in with the Rural ambience of the lane

3 On the original Outline application the garages were not shown this now makes this over developed site even closer to W>W>L should this know be subject to a fresh application ?

4 This development in my view (and others) would be more suitable in an Urban area and NOT in a Rural country lane

5 You are our Planning experts and trust you will make a wise decision for us

Thank you in anticipation

Yours faithfully

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control

Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
