Dear Mr Terry,

Town and Country Planning (Pre-commencement Conditions) 2018
Notice of intention to impose pre-commencement conditions

Approval Of Reserved Matters Following Outline Consent Wa/26/18/Out For Layout & Scale For 6 No. Dwellings & 6 No. Detached Garages.

Lanes End West Walberton Lane Walberton BN18 0QS

From 1 October 2018 section 100ZA(5) of the Planning Act 1990 provides that planning permission for the development of land may not be granted subject to a pre-commencement condition without the written agreement of the applicant to the terms of the condition (except in the circumstances set out in the Town and Country Planning (Pre-commencement Conditions) Regulations 2018).

The following Pre Commencement Condition/s are Proposed:

- 4 No development shall be commenced until such time as plans and details have been submitted to and approved in writing by the Local Planning Authority showing the site set up during construction. This shall included details for all temporary contractors buildings, plant and stacks of materials, provision for the temporary parking of contractors vehicles and the loading and unloading of vehicles associated with the implementation of this development. Such provision once approved and implemented shall be retained throughout the period of construction.

Reason: To avoid undue congestion of the site and consequent obstruction to access in accordance with policy T SP1 of the Arun Local Plan.

OPTIONS:

1. Confirm your acceptance in writing by the **18th December 2019**.
2. Choose not respond (i.e. remain silent). If there is no response by the **18th December 2019** the Local Planning Authority may grant planning permission subject to the terms of the pre-commencement condition specified in the notice.

3. Provide comments before the **18th December 2019** on the proposed pre-commencement condition, in which case that condition cannot be imposed.
4. Indicate before the **18th December 2019** that you do not agree to the terms of the proposed pre-commencement condition, in which case the Local Planning Authority may then either:
 - a. grant planning permission without the pre-commencement condition,
 - b. seek written agreement to an alternative pre-commencement condition, or
 - c. refuse to grant permission (if it considers that the disputed pre-commencement condition is necessary to make the development acceptable in planning terms).

If you wish to discuss the contents of this letter, or if there is anything you do not understand, please contact the case officer on the above extension.

Yours sincerely

Neil Crowther
Group Head of Planning
