Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/80/21/OUT
Site Address: Land East of Yapton Lane Walberton BN18 0LJ
Description of works: Outline application with all matters reserved (except access) for up to 75 No. dwellings. This application affects the setting of a listed building, affects the character & appearance of the Walberton Village Conservation Area & is a Departure from the Development Plan.

Thank you for your internet representation made on 13th September 2021 which has been recorded as an objection with the comments as follows:

OWPC40312

Please don't destroy more fields. Walberton has not got the infrastructure to cope even with the nearby housing development that (wrongly in my opinion) got planning approval. This site would be blighted by the grey route for the A27. It would destroy the views across to the rural hamlet of Binsted. The infrastructure cannot cope with the housing we have at present - roads, schools, medical services. I am also very concerned about the amount of green space that is proposed within this development. I fear that 75 houses is merely a stepping stone and the developer will return with a far higher number of houses for this site using the argument of efficient use of land.

Your views as made above will be considered before the application is determined.

In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.
