Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/80/21/OUT

Site Address: Land East of Yapton Lane Walberton BN18 0LJ

Description of works: Outline application with all matters reserved (except access) for up to 75 No. dwellings. This application affects the setting of a listed building, affects the character & appearance of the Walberton Village Conservation Area & is a Departure from the Development Plan.

Thank you for your internet representation made on 1st October 2021 which has been recorded as an objection with the comments as follows:

OWPC40783

I wish to object to this proposal because:

1. It is a green field site. All other brownfield sites should be used prior to permanently losing more open fields to development.
2. Details of the A27 Arundel bypass route have yet to be finalised and could impact the site. Witness the mess between the partly built Tupper's Field development and the proposed Grey Route of the A27.
3. Walberton has had/is having more than it's share of new building. The recently adopted Neighbourhood Plan allows for more new homes than are required for our village.
4. Facilities such as schools, doctors and roads are already being swamped by new development. Adding to this is plain stupid.
5. This site is outside the Built Up Area Boundary and would seriously affect the vista and open space between Walberton and Binsted.

Your views as made above will be considered before the application is determined.

In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.
