Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/80/21/OUT
Site Address: Land East of Yapton Lane Walberton BN18 0LJ
Description of works: Outline application with all matters reserved (except access) for up to 75 No. dwellings. This application affects the setting of a listed building, affects the character & appearance of the Walberton Village Conservation Area & is a Departure from the Development Plan.

Thank you for your internet representation made on 1st October 2021 which has been recorded as an objection with the comments as follows:

OWPC40793

This site is not in the Walberton Development Plan; the scale of the proposed development is greater than the housing development and not necessary to meet requirement - Walberton Parish allocated in excess of housing requirement in its made NDP.

Reference is made to a post office and doctor's surgery, both of which have been closed for some years. Also that Walberton is well connected by bus services - this is not true as sadly Walberton has extremely limited bus services. Thus an inevitable increase in car movements from such a development would add to the already unacceptable heavy use of Yapton Lane by cars and HGVs - the air quality is becoming worse and worse with current traffic movements.

I feel the timing of this is completely premature in that the route for the A27 is yet unconfirmed and the current proposed Grey Route would impact on this site heavily. Other possible route choices could run through it.

Your views as made above will be considered before the application is determined.
