Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/80/21/OUT
Site Address: Land East of Yapton Lane Walberton BN18 0LJ
Description of works: Outline application with all matters reserved (except access) for up to 75 No. dwellings. This application affects the setting of a listed building, affects the character & appearance of the Walberton Village Conservation Area & is a Departure from the Development Plan.

Thank you for your internet representation made on 4th October 2021 which has been recorded as an objection with the comments as follows:

OWPC40861

The site is greenfield and for this, and numerous other reasons was rightly excluded from the Walberton Neighbourhood Development Plan.

The application would lead to a significant increase in traffic which is already becoming unsustainable with the current developments.

There simply isn't the infrastructure - roads, public transport, NHS or schools to support such a development and building yet more houses on greenfield sites is completely contrary to what we should be doing to protect the environment in the face of climate change challenges.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Yours sincerely
