Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/80/21/OUT
Site Address: Land East of Yapton Lane Walberton BN18 0LJ
Description of works: Outline application with all matters reserved (except access) for up to 75 No. dwellings. This application affects the setting of a listed building, affects the character & appearance of the Walberton Village Conservation Area & is a Departure from the Development Plan.

Thank you for your internet representation made on 6th October 2021 which has been recorded as an objection with the comments as follows:

OWPC40939

This really boils down to how you sustain more and more traffic having to access shops and services. Walberton Village does NOT have a GP surgery, does NOT have a Post Office, does NOT have a good bus service and access through the village itself is restricted. Especially in around the area of the School. It may have pub at the moment but historically has been closed down for periods with multiple different managers and is rarely if ever well used. There is limited parking in the village by the shops meaning more people with cars may have to park in the Main Street, causing even more traffic problems.

The A27 has yet to be decided and the problems associated with that.

More houses will take away the natural country side views and more houses are not required to meet the allotted number for the area.

Let us keep the green fields and the countryside or there will be little left for the children of the future to enjoy.

Your views as made above will be considered before the application is determined.
