Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/80/21/OUT
Site Address: Land East of Yapton Lane Walberton BN18 0LJ
Description of works: Outline application with all matters reserved (except access) for up to 75 No. dwellings. This application affects the setting of a listed building, affects the character & appearance of the Walberton Village Conservation Area & is a Departure from the Development Plan.

Thank you for your internet representation made on 6th October 2021 which has been recorded as an objection with the comments as follows:

OWPC40958

I object to this application for the following reasons:

This is another greenfield site and the destruction of this site would have an adverse effect on the local wildlife and destroy more countryside.

There would be no social or economic benefit. The village has limited services. No GP services and our local GP surgeries are already struggling with the capacity. The local schools are also over subscribed.

The local roads are unable to cope with increased traffic from developments in Barnham/Yapton and this will only worsen with the proposed A27 grey route adding to noise and air pollution.

Walberton Parish Council has already allocated in excess of its housing requirements and this undermines the Neighbourhood Development Plan.

The developers on the Avisford Grange site are struggling to sell the houses and have already needed to refund deposits, since the Grey route was proposed. So why would ADC think this site would be any different? Yet another example of the poor planning at ADC and destroying our Sussex villages with no investment in infrastructure.

Your views as made above will be considered before the application is determined.
