Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/80/21/OUT
Site Address: Land East of Yapton Lane Walberton BN18 0LJ
Description of works: Outline application with all matters reserved (except access) for up to 75 No. dwellings. This application affects the setting of a listed building, affects the character & appearance of the Walberton Village Conservation Area & is a Departure from the Development Plan.

Thank you for your internet representation made on 6th October 2021 which has been recorded as an objection with the comments as follows:

OWPC40961

- Exit from Avisford Grange development currently undecided, so uncertain impact on Yapton Lane traffic which will not be resolved in near future.
- Close proximity to preferred route of A27. Will require substantial increases to noise management interventions and associated increases in cost (either to public or making economic viability of proposed development uncertain).
- Outside of development plan.
- Further negative ecological impact in an area that has seen extensive development already in recent times
- Reduces gap between walberton and Binsted with significant negative effects for identity and character of both villages.
- Impact on health, social and educational services uncertain

Your views as made above will be considered before the application is determined.
