Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/80/21/OUT
Site Address: Land East of Yapton Lane Walberton BN18 0LJ
Description of works: Outline application with all matters reserved (except access) for up to 75 No. dwellings. This application affects the setting of a listed building, affects the character & appearance of the Walberton Village Conservation Area & is a Departure from the Development Plan.

Thank you for your internet representation made on 6th October 2021 which has been recorded as an objection with the comments as follows:

OWPC40981

The site is adjacent to, and possibly actually on, the Roman villa excavated by Worthing Archaeology Society. Further remains may lie underneath. Such an important heritage asset (the most important in the village) should not be built on. Under the Planning (Listed Buildings and Conservation Areas) Act 1990, para 058 Ref id: 18a-058-20190723 such proposed developments must be referred to Historic England.

The development changes the character of the village from rural to suburban and was rejected by the Neighbourhood Plan.

If approved, the site will lead to increased traffic congestion in the village.

The proposal would increase the population of the village by over 10% against the latest available census, which cannot be sustained by current infrastructure.

Your views as made above will be considered before the application is determined.
