Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/80/21/OUT

Site Address: Land East of Yapton Lane Walberton BN18 0LJ

Description of works: Outline application with all matters reserved (except access) for up to 75 No. dwellings. This application affects the setting of a listed building, affects the character & appearance of the Walberton Village Conservation Area & is a Departure from the Development Plan.

Thank you for your internet representation made on 6th October 2021 which has been recorded as an objection with the comments as follows:

OWPC40985

This development will irretrievably damage the rural environment of Binsted and Walberton and increase traffic in and around Walberton.

Walberton has met its housing targets and this new development is not identified in the neighbourhood plan - it is surplus to requirements. There are also numerous housing developments in neighbouring villages such as Yapton, Ford and Barnham which will increase traffic and put pressure on local infrastructure in all local villages.

The proposed A27 (grey route) has not been agreed and even if it is, to build houses alongside what will inevitably be a highly polluting, major road, would have a significant impact on the health of residents living on the new development and locally.

West Sussex is changing beyond recognition due to the massive building program it has been subjected to in recent years and we, it's residents, need to try and preserve the rural identity of small hamlets such as Binsted and Walberton while we can. Enough is enough. Let's preserve our environment.

Your views as made above will be considered before the application is determined.
