Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/80/21/OUT
Site Address: Land East of Yapton Lane Walberton BN18 0LJ
Description of works: Outline application with all matters reserved (except access) for up to 75 No. dwellings. This application affects the setting of a listed building, affects the character & appearance of the Walberton Village Conservation Area & is a Departure from the Development Plan.

Thank you for your internet representation made on 7th October 2021 which has been recorded as an objection with the comments as follows:

OWPC40990

This planning application seems to go against all local policy. Walberton already has a large number of houses under construction in what is a rural area with no jobs and no public transport.

Any arguments that traffic will only increase by a small percentage are blatant lies. With the planned grey route, the access to a major road for those on this development will be via the village, which is already a very narrow and, at times, congested, road. There are no facilities in the village, ie doctor, post office etc. and the local school is almost at capacity, unless further building is planned there.

The residents of this estate will have to cross a VERY busy and fast road to get to the footpath to the village school and amenities.

In addition, the recently revealed bat surveys for the area confirm that more housing and street lighting will definitely disrupt their natural habitat.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/what-happens-next>.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning
